Eastern Connection Same Day Express Delivery Service

Our Commitment

Eastern Connection understands that time is precious in the business world. We know that you may need a pick-up or delivery at any time of the day, any day of the week. We also know that your urgent shipments need to be handled both quickly and carefully. We developed our same day delivery service to meet these needs, providing the fastest and most cost-effective express parcel delivery service available, with proof of delivery upon arrival. Utilizing our efficient fleet, we move packages as small as an envelope and as large as a skid of freight. Eastern Connection combines speed with professional service to bring you the solutions you need when you need them.
